

Player's Profile

Kick Association

Name: **Garath (Santa) Kerr**

Occupation: Worker/(fancies himself as bit of a entrepreneur)

Started playing in: **1997**

Plays at: **Barkick, Café Kick**

Plays on: Bonzini Tornado Other (_____)

Favourite shot(s): anything he can pull off really - usually limited to tricky **angled Front Pin** shots

Strengths: when playing against Garath, he has the gift of making YOU look good (at his expense), although I suspect this is not intentional.

Weaknesses: non existent defence

If you have ever wondered what Father Christmas looked like in his youth, you need look no further. Mug shot above does not do the resemblance justice - permanent rosy cheeks and a slight middle-aged spread round the waist area (also permanent) makes him an ideal candidate for a descendant of Santa - He's almost as likeable and huggable as the original and if you ever feel the urge to, I'm sure he wouldn't mind sitting you on his knee. Santa Claus perhaps, skilled babyfoot player - definitely NOT.
