

Player's Profile

Kick Association

Name: (the Juj) **Jujhar S. Sohi**

Occupation: consultant

Started playing in: **1997**

Plays at: **Barkick**, virtually all UK ranking tournaments, mate's house, anywhere...

Plays on: Bonzini Tornado Other (occasionally Garlando)

Favourite shot(s): **pull & snake**

Strengths: if his 5-bar ability were to be tested, he would've ACED it. Cheeky brush and stick passes do the trick every time. Keeps his cool despite intense pressure*...mental strength to be desired. Listen out for his favourite phrase "Tic-Tack".

Weaknesses: This is where Juj and MJ share common ground, *their trousers tend to be a bit too tight for comfort...from a medical perspective, restricts blood circulation - does wonders for MJ's vocal reach but the same can't be said for Juj's game.

Definitely not a "Nobby-No-Talent". This cheeky chap is a regular on the tournament scene and his collection of titles and his ranking are to be envied. Master of the 5-bar, deadly in attack and when forced to defend, doesn't disappoint. Almost perfect...he's just got to sort those trousers out!
