Important Information for Table Football Venues

FAO: The Venue Manager

I am writing to you because I understand that your venue has a Foosball table, and I believe some of your players will be interested in details of the forthcoming UK Open 2004 foosball tournament. This will be the largest foosball tournament of the last 20 years and will attract up to 300 players from across the UK and Europe. Competitive foosball is an extremely exciting and addictive sport and this tournament will be the perfect introduction for keen players to the national scene.

£4000 UK Open 2004 - Saturday 13 and Sunday 14 November 2004

We are pleased to be able to announce the largest foosball tournament held in the UK since the 1970s. The event will take place on Saturday 13th and Sunday 14th November 2004 at The Orange House, 22-26 Oxford Rd, Reading, Berkshire RG1 7LA. - for more information see the enclosed flyer or visit the tournament web page - www.britfoos.com/UKOpen.

Players of all standards and experience, ranging from beginners up to the very top national and international foosball stars will be competing for the title of UK Champion 2004. In addition, the Sunday schedule includes our Pub Championship, where teams of 4, 5 or 6 players will compete for the title of "Pub Foosball Champions 2004". Are your players good enough? This event is aimed squarely at tournament beginners so there really is no better event for your players to see what it is all about.

BFA venues database - 1000+ venues and 30+ regular haunts across the UK!

The BFA hosts by far the largest Foosball venue database in the UK with over 1000 listed venues. We have recently changed the design and added an automated feedback section to enable us to keep the listings as up-to-date as possible. Our members use this list to look up new venues to visit and so by providing feedback you really will be able to promote your venue.

To view your venue's listing, or search for other venues in the area, simply visit www.britfoos.com and click on Venue Search. In addition to simply listing playing venues, we cover venues where there is a significant local player support in extra detail - these we call the Regular Haunts. The requirement for Regular Haunt listing is that there is a regular player who is prepared to volunteer to be Venue Representative, or central point of contact for players looking to arrange a game. Make sure your venue gets listed!

Yours faithfully,

Richard Thomson,
